1. MESSAGE FROM THE FOUNDER CHAIRMAN

It gives me immense satisfaction and gratitude to present the Annual Report of Bhavada Devi Memorial Philanthropic Trust (BDMPT) for the financial year 2025–2026.

Over the last fourteen years, our Trust has continued its journey of humanitarian service with dedication, compassion, and sincerity. What began as a humble initiative has evolved into a mission-driven organization committed to restoring dignity, care, and hope to destitute elderly women and underprivileged communities.

The financial year 2025–2026 has been both meaningful and challenging. While our residents continued to face complex health conditions and emotional hardships, we remained steadfast in our responsibility to provide them with care, safety, medical support, and emotional warmth.

During the year, our projects such as "SURABHI" and "ANAJORI" continued to positively impact society. We also witnessed remarkable support from donors, volunteers, organizations, healthcare institutions, and well-wishers from across Assam and India.

One of the most memorable achievements of this year was the publication of "Smriti Bak," a book documenting the traditional sayings and proverbs narrated by one of our elderly residents. This initiative reflected our commitment not only to humanitarian service but also to preserving cultural heritage and human dignity.

On behalf of the Trust, I express my heartfelt gratitude to all donors, supporters, trustees, volunteers, medical professionals, and every individual who stood beside us throughout the year.

With renewed hope and determination, we shall continue our mission of service to humanity.

Gp Capt. Atul Chandra Barua
Founder Chairman
